

Junior Achievement Golf Classic

ABOUT THE TOURNAMENT

The goals of the Junior Achievement Golf Classic, benefiting Junior Achievement of Greater Fairfield County, are to raise funds to support our programs build new relationships with business and community leaders, and generate positive awareness of our organization's mission within the community and among the corporate sector.

To date, this tournament has raised over 2.3 million dollars, which has enabled us to increase penetration in area schools, and will help us reach over 22,000 students this year.

We will accomplish these goals by:

Providing sponsoring companies with a unique, premier customer/client entertainment and networking event that promotes relationship building.

Designing a fund-raising event that is also a productive business development tool for sponsoring companies, thus encouraging the use of marketing, sales, and promotion budgets.

Organizing a committee of key business leaders from both inside and outside the organization to seek sponsorships among their colleagues, vendors and friends.

Striving to make the tournament a first-class event.

WINGED FOOT GOLF CLUB

WINGED FOOT GOLF CLUB

has a long and prestigious history tracing back to 1923. When the cornerstone of Winged Foot's clubhouse was laid on April 14, 1923, it marked the creation of one of the most enduring, recognizable structures in golf.

From the beginning, Leo the Lion has guarded the famous front portico, greeting visitors with a silent roar. But no one seems to mind. They know the lion's challenging disposition reflects the character of the club's famous West and East Courses and that he is simply standing sentinel to the grandeur and ambiance that await inside.

Once through the entry your eyes are treated to rich, dark-stained woodwork, glass-paneled doors and archways, detailed wall murals, colorful portrait paintings, and displays of golf memorabilia from championships past.

Over its 97 year history, Winged Foot Golf Club has built a reputation for bringing golfers to their knees...and it's proud of it. "On a scale of 1 to 10, Winged Foot is a 12!," says Jack Nicklaus.

The Junior Achievement Golf Classic will be played on two of Golf Digest's top-45 rated courses in the country, Winged Foot Golf Club's West Course, home of the 2006 U.S. Open, and its prestigious East Course.

Winged Foot will be the host of the 2020 U.S. Open and has many great tournaments and many great champions, including:

- The 1929 U.S. Open won by Bobby Jones
- The 1957 USGA Women's Open won by Betsy Rawls
- The 1959 U.S. Open won by Billy Casper, Jr.
- The 1972 U.S. Women's Open won by Susie Maxwell Berning
- The 1974 U.S. Open won by Hale Irwin
